Guest Speaker:

Ning Wright

Partner, Performance and Technology, KPMG China

- Ning Wright is the KPMG Partner in charge of Risk Advisory Services for Central China and the National Sourcing Partner in Charge for KPMG China. She has over fifteen years of professional experience in a number of industry sectors including information technology, banking, insurance, telecommunications, auto, petrochemical and retail. She has worked in USA, Europe, Middle East and Asia Pacific regions. Ning specialises in sourcing advisory, mergers and acquisitions advisory, post deal services, compliance, business resilience and project management. She has advised a number of government and companies on related topics.
- Ning has represented KPMG China in signing a memorandum of understanding with the Ministry of Commerce on the "Thousand Hundred Ten" project aiming at promoting China's outsourcing industry. Ning has been working closely with China's central and city level government officials in shaping their outsourcing strategy through experience and knowledge sharing. Through KPMG's presence in over 144 countries, Ning has also represented KPMG China in providing advice to our global clients looking to outsourcing in China. Ning has also been invited by the Shanghai Municipal Commission of Commerce to be an outsourcing advisor for Shanghai.
